SPA INFORMATION

Spa Hours

The spa is open 7 days a week and treatments are available from 9am to 6pm. Treatment inquiries outside of these hours are also welcome.

Your Appointment

We suggest you arrive 10 minutes early to complete a consultation form before your appointment begins. Our therapists are skilled and trained in different modalities. Feel free to discuss any requirements you may have to design a tailored experience.

Early Arrival For Appointment

Should we be in a treatment and there is no one available to greet you on arrival, please relax with tea and fresh water in the waiting area. Your spa therapist will meet you there as soon as they are available.

Late Arrival For Appointment

In the unlikely event that you are running late for your appointment we will try our best to complete your full treatment. However, please note that the treatment may be shortened should there be another booking immediately afterwards.

Consultation

Your therapist will conduct a brief consultation before beginning your treatment to confirm the duration and type of treatment booked and ensure that you receive the treatment most suited to you. It is vital that we are advised of all health concerns on your consultation form so that our spa therapists can address your special requirements and customise treatments where necessary.

Special Considerations

Guests who have a history of, or presently have, any medical or high-risk conditions, including pregnancy, high blood pressure, heart conditions and other serious circulation or muscular complications are required to consult their doctor before reserving any spa service. Guests presenting with a cold, fever, or skin irritation will be unable to receive any massage treatments or treatments that may aggravate the existing condition.

Valuables

Please leave any valuables in the safe in your suite. Rosewood Matakauri cannot be responsible for lost or stolen items.

Your Spa Therapist

We have a team of professional and fully qualified male and female therapists. For your comfort, should you have a preference for a male or female therapist, please inform us prior to your arrival and we will do our very best to accommodate your request. Feel free to present your requests to your therapist as each therapist has unique skills and may be able to improvise and offer variations on the spa menu, personalised especially for you.

Privacy

Your privacy is a priority. In the treatment room, your therapist will leave you to change and settle under the sheets. During treatment, all untreated areas remain appropriately draped, and the chest remains covered if abdominal work is included.

Spa Etiquette

The Spa is an area of relaxation and tranquillity and as such, all areas around and within the building are noise-free zones. We request that guests keep noise levels to a minimum and refrain from using cell phones or electronic devices in the Spa. The consumption of alcohol is not encouraged directly before or after any spa treatment.

In-Room Treatments

Certain treatments are available within the privacy of your suite, enquire with Guest Services when booking. Please note that an additional charge of 20% is added to all in-room bookings.

Cancellation Policy

Treatment times are reserved exclusively for you, and we therefore have a 24-hour cancellation policy. If you need to change the time of your appointment, we will make every effort to accommodate your wishes but may not be able to guarantee the availability of a therapist. Cancellations within the 24-hour period will be charged in full.

Payment of Services

Spa services at Rosewood Matakauri will be charged directly to your room account.
