EVENTS

WONDER IN A NEW LIGHT

The season of holiday magic in the BVI — where sun-kissed shores, turquoise waters, and the effortless elegance of island life come together.

Immerse in the perfect blend of comfort and joy at Rosewood Little Dix Bay, where beloved traditions meet Virgin Gorda pleasures.

Enjoy gentle ocean breezes on our crescent beach while the little ones delight in festive sweet treats. Savor island-style holiday dinners complete with beloved classics. Not a day goes by without a full roster of fun and festive activities to make your holiday getaway bright, carefree, and full of cheer.

A serene landscape photograph featuring a woman with long blonde hair, wearing a white t-shirt and shorts, walking away from the viewer along the edge of a modern infinity pool. The pool's water is calm, reflecting the warm, golden light of the setting or rising sun. In the background, a large white yacht is visible on the sea, with a hilly coastline in the distance. The foreground is framed by the dark, silhouetted leaves of a plant, possibly a palm, which adds a sense of depth and intimacy to the scene.
