

## PARTNERS IN PROVENANCE

Rosewood's Partners in Provenance initiative reflects a deep respect for local farmers, indigenous agriculture, and a commitment to exceptional quality. At Rosewood Bangkok, this philosophy comes to life through collaborations with regional farms and artisans across Thailand. Guests enjoy premium local ingredients, including free-range chicken from Nakhon Ratchasima, organic pork from Chiang Mai, and fresh seafood from the Andaman Sea, ensuring an authentic and sustainable dining experience rooted in Thailand's rich culinary heritage.

### 本地来源

瑰丽承诺尊重本地农业文化，利用本地农产品，呈现给客人高品质的食物。曼谷瑰丽酒店的农场，供应商以及传统工匠等合作伙伴全年向客人提供当地顶级产品，例如：来自呵叻府的放养鸡、清迈的有机猪肉，以及来自安达曼海的新鲜海产。

NAN

BEI

Nan Bei, meaning South and North in Mandarin, offers regional specialties from the two Chinese regions.

The restaurant's design is inspired by the lyrical Chinese folktale of the "Weaver Girl and the Cowherd." Legend has it that the Weaver Girl descended from the heavens to bathe in a magical pool, where she met and fell in love with a simple Cowherd. However, her mother disapproved of the union and commanded the girl back to her celestial home. The lovers now can only meet once a year by traversing a bridge in the sky created by magpies.

Once crossing through Nan Bei's moongate entrance, you will see an installation resembling 600 illuminated magpies in flight as well as bridge-inspired trusses and a custom-woven art feature that stretches the length of the ceiling in homage to the Weaver Girl who weaves clouds for the sky.
