Step into the world of Koo Madame, where the allure of 1920's glamour comes alive, inspired by the extraordinary life of Oei Hui-lan, who would later be known as Madame Wellington Koo.

Once a socialite and later the esteemed First Lady of China, Madame Koo left an undeniable legacy, one that transcended borders and defied expectations.

She wasn't just a figurehead—she was a trendsetter who redefined fashion, soared the skies piloting planes, penned novels, and lived a life of adventure until she reached the remarkable age of 103.

The name Koo Madame is a tribute to her daring spirit and her unforgettable mark on the world, embodying timeless sophistication.

The menu is a culinary journey, weaving through the diverse regions of China. From Cantonese delicacies to Shanghainese treasures and the hearty flavors of Northern China, every dish is a nod to the country's rich and varied heritage.

At Koo Madame, the experience is as much about the adventure of flavor as it is about the timeless elegance that surrounds you.
