WONDER IN A NEW LIGHT

Here in the Riviera Maya, cherished traditions shine in a new light, shaped by Mexico's rich culture, natural beauty, and spirit of togetherness.

As the year draws to a close, the season unfolds through gratitude, joyful Christmas celebrations, the anticipation of New Year's Eve, and the beloved traditions of Three Kings Day. Across candlelit gardens and moonlit shores, each gathering offers a distinctly Mayakoba sense of wonder.

We feel especially fortunate to share this season with you. Whether gathering around the table, celebrating beneath the stars, or simply enjoying time together, may each moment bring joy, connection, and perhaps a new tradition to make your own.

Thank you for making Rosewood Mayakoba part of your festive season. We are delighted to welcome you.

Warmly,

THANKSGIVING

THANKSGIVING

A season of gratitude and connection

At Rosewood Mayakoba, Thanksgiving finds fresh expression in a setting that naturally invites reflection and connection. Surrounded by the beauty of the Riviera Maya, the holiday becomes an opportunity to slow down, gather with those who matter most, and celebrate the many forms abundance can take.

Seasonal menus and family-style dining place food at the heart of the occasion, while wellness and recreation carry the spirit of gratitude beyond the table. Through sound, movement, natural beauty, and shared purpose, each experience offers a different way to reconnect.

Together, these moments transform Thanksgiving into both a culinary celebration and a shared personal journey, illuminated by generosity, balance, and the simple joy of being together.
